**Welcome all, to the final newsletter for 2015- this means that the year has come to an end for our clubs weekly dances. The committee would like to wish all a Merry Christmas and a Happy New Year. Have a great break and if travelling please do so safely. See you all in 2016**

### **A Message from your President**

Well! Here we are again approaching the end of our dance year on Tuesday 1st December.

It has been a truly successful year commencing with our 25th anniversary dance in February and then later in the year co-hosting the 35th State Square Dance Convention in conjunction with the Queensland Callers Association.

It must be said that you, the members of the club, whom are too many to name put in a huge effort on all fronts in making the convention a success and for this I thank you all.

February 2nd will see the new dance year start with the trial of a new programme format. (Further information can be read in this newsletter). In this format mainstream dancers will be required to assist any learners who come

to join our club and enjoy the fun and friendship we offer here at EZ Squares. Also while assisting it will be a chance for mainstreamers to refresh themselves with movements they are not sure of.

On March 29th 2016 we look forward to our first party night of the year with the theme of “Down on the Farm”. The themes for other party nights that will occur during the year are yet to be decided and are open to suggestions from members.

Please keep in mind we have been given the opportunity to hold a “sausage sizzle” at Masters Morayfield on Feb 6th 2016 between the approx. hours of 9am – 2pm. so we will be looking for helpers to come forward on the first night back Feb 2nd. Remember many hands make light work even if you can only spare an hour.

As other events that have occurred during the year have been highlighted in previous newsletters, I would like to in closing, thank my fellow committee members for all their hard work and time and for that matter all club members who have contributed to make EZ Squares the great dance and fun club it has become.

On behalf of the committee we wish you all a safe and enjoyable Xmas break.

Geoff Linck-Parker

### **New Dance Programme Format for 2016**

Commencing on Feb 9th 2016 EZ Squares are trialling a new format which we hope will be advantageous to all members, and hope you will all bear with us during this period.

It is proposed that learners/refreshers will now be from 7pm– 8pm followed by mainstream from 8pm- 9.30pm. During the mainstream time frame a plus bracket will be incorporated

depending on the number of plus dancers available.

Mainstream dancers are welcome to come from 7pm onwards to assist and encourage our new dancers.

After 8pm there will be no teaching brackets for the 2016 beginners thus enabling our mainstreamers to dance and gain their full potential in mainstream.

New dancers for 2016 are quite welcome to remain after their teaching bracket and watch mainstream and enjoy supper afterwards.
